

Ozark Academy Covid Plan

08.16.21

Our main goal is two-fold:

- 1) Instilling preventative measures to avoid quarantining the entire school from an outbreak
- 2) Limit the number of COVID exposures and cases on campus

Registration

1. Everyone choosing to come to campus will be required to wear a mask.
2. Registration will be spread out as much as possible to encourage social distancing

The first two weeks after school begins and two weeks after every home leave.

1. Masks will be required of everyone.
 - a. Students playing on the field will not need to wear masks.
 - b. Students in groups will need to wear masks even when outside.
2. Cafeteria - four to a table with dividers
3. Dorm suite mates and roommates will not need to wear masks in rooms. Masks will be required if other students visit other dorm rooms.
4. Dorms are closed to the village students
5. Students can only be checked off by parents/grandparents/aunts/uncles.
6. The campus will be closed to guests.

School Year

1. Masks are optional
2. Parent-approved individuals will be allowed to check off up to two dorm students during approved times. Dorm students must return to their dorm at the designated times. There will be no overnight stays. We request that students who are checked off avoid high covid transmission environments.
3. Only two (2) village students at a time will be allowed to visit per dorm room.
 - a. Lobbies are open to students.
4. Cafeteria - four to a table with dividers
5. The campus will be closed to guests.

Vaccinations are a personal choice for students and staff.

Students who become sick with Covid like symptoms will have the ability to be tested by the school nurse (students' insurance will be charged). Students who are not tested will be sent home for two weeks. Students who are exposed to a positive individual will be sent home for a two-week quarantine. Per CDC guidance, students who have been vaccinated will not need to be quarantined. Students who are home will be able to connect with their classes using the google meet button inside google classroom.

**Our plan is subject to change as community conditions change.
