## **OZARK ADVENTIST ACADEMY MATCHING SCHOLARSHIP PLAN FOR THE ARKANSAS-LOUISIANA CONFERENCE\***

The Ozark Adventist Academy Matching Scholarship Plan has been developed to assist families in meeting the cost of attending Ozark Adventist Academy. The academy will match funds received from a church up to \$750 for dormitory students and \$500 for day students.

- I. Eligibility for Academy Matching Scholarship as follows:
  - A. Local church participation.
  - B. Student participation in a full academy curriculum.
  - C. Student citizenship must be satisfactory.
  - D. Student cooperation in the work program with a minimum of 10 hours per week. Students will be expected to make themselves available for employment where assigned.
  
- II. The procedure is as follows:
  - A. Local churches of which the student or his parents or guardian are members must make a preliminary determination of financial need and nominate the student for a scholarship of up to \$2,250.00. This action is to be done via the church board. The completed application should be sent to the academy immediately so a financial plan can be finalized.
  - B. The treasurer of the local church will send the church's share of this scholarship, up to \$750.00 (\$500 for a day student), to Ozark Adventist Academy no later than October 1. (Applications are available on the academy website.)
  - C. The academy will match up to \$750.00, the Arkansas-Louisiana Conference up to \$750.00, thus making a scholarship of up to \$2,250.00, based upon the amount the church contributes. These funds will be held in trust by the academy. A day student total would be \$1500.00.
  - D. The scholarship shall be released to the student's account at the rate of one-tenth per billing. In cases where a student does not complete the school year, any unused portion of the scholarship remaining after the month in which the student leaves would be proportionately returned to the original sources.

\*Those who are from a conference other than Arkansas-Louisiana need to check with their local conference to see if they will match for the conference portion. The school will match for the school portion but cannot give the conference portion if the conference does not participate.
